S.T.C. DRIVE BOGS DOWN!

SPORTS RALLY!

Friday evening the fires will again be burning brightly on the back campus, for another picnic will be in session. There will be plenty of food for everyone and those lucky people who can find a cook will really "haveit all." After the hotdogs, oysters and hamburgers have been put below decks, the Mens' A.A. will take charge of the rest of the entertainment for the evening. In the gyn there will be a stiff program of varied games with the women competing against the men in volley ball and table tennis. Bill Woolston, president of the Mens' Athletic Association, has promised that he will do his best to assure everyone a good time. The contests will come to an end at 11 P.M., when the winners will accept the praises due them from the losers. Come everyone and have the time of your life.

SUPPORT YOUR NEWSPAPER

The seasonn' string of wins is long and the boys of the toe are about to call a halt. The Wesley boys were the first to be turned back with a score of 8-0. The next encounter was with the powerhouse team of the University of Delaware. Outcome of this fracas was a two--two tie. The journey to Western Maryland was climaxed with the hardest fought game of the year. Our booters tasted defeat to the bitter score of 4--3. Back on home stamping grounds, the boys acquired some of the high class preformance they are famous for and trounced our Chestertown opponents with a 4-3 tally. A rivarly of long standing was reopened when the aggregation from Frostburg hit this city. A 6-2 shellacking sent the Bobcats home with their tails between their legs. The Naggs men went to Washington College yesterday for a return match. The attack of our boys bogged down and we were left on the short end of a 5-1 count. The next game we see will be against U. of Md.

FOR GIRLS ONLY!

Along with the other high lights in the current events of today, such as the unpredictable OPA prices and the fixed cry for better teachers salasies, the dormitory girls of S.T.C. (blame it on the Atomic Age) have now been allowed to stay out during the week until 10:10 P.M., the weekends until 11:30 P.M. and late leaves are until 12:00 P.M. Our regular time to be in before was 9:00 P.M., so, what is or could be more appropriate for our there [illegible] Twenty Minutes More?

And now, Juniors and Seniors you have also been presented with unlimited social privileges ...THAT MEANS EVERY NIGHT OUT... but only until 10:10 P.M. The Sophomores are now allowed four nights a month and three of the weekend nights each weekend, and the Freshmen have three nights each month and two of the week end nights each weekend. Well--boys... any objections?

"SCOOPS 'N' SNOOPS"

It's getting harder and harder to find out what's going on in the student body, and just who is doing who. How about giving your ole Walter Winchell a break and cut him in on the dope once in a while? This column is of the students and for the student

To get on with this week's snoops.....We finally got the straight dope on what Charley W. kills when he goes hunting..... Despite rumors that Larry H. was a football casulty, we hear that a faculty member is responsible for his bad nose.....Speaking of bad noses, someone told us that a certain member of our Varsity soccer team has been caught using copious amounts of perfume and handkerchiefs..... A certain female student told us that college girls are wearing the same things in sweaters at S.T.C. this year.."Omar the Tent Maker" must be doing a bang-up business around the campus. Ask the two Camp Fire girls in our midst for more particulars..... Congratulations to "Buzzy". He's got more nerve than the rest of us have. No joking "Buz" we wish you best of luck.....Orchids to Maude Glasgow who keeps our boys well supplied with "joe" so they can stay awake during those early morning classes.....We are all looking forward to that return match between "Larruping" Larrimore and "Mauling" Merryman

Tickets are being sold at the entrance to the boys' day room..... .....I guess we all saw that big cigar that was dragging Wendy around the other evening. Four people were trampled in the mad rush for the doors.....Wonder why Alice B. has been behaving so strangely lately? Could it have anything to do with the course in Science she's taking this year?.....Hands off guys. Our belle from Delmar is now engaged to a lad from Pocomoke.. ....Speaking of Delmar, why does Kitty F. always talk about the place?.....They tell me our Wee Winnie with the lame leg is just about ready to go baxk into action again. Beware youse guys. .....What's wrong between N.K. and M.C? They tell me M's heart is broken.....B.B. and J.J. have been seen strolling together around the campus.....What's this about benches being part of the standard equipment at the picnic Friday night?.....Talking about the picnic, we would sure like to see the whole student body represented there, that includes all the day students... ....One of our coeds didn't seem to have much luck with one of the Colgain boys, but while the other is still around she hasn't given up hope.....In case any one wishes to know, there are only two Ryle boys going to S.T.C. Benson's name is Benson.

CAMPUS SPORTLIGHTS

Since the last issue of the paper the Men's A.A., has become active in many new ways. A touch football league has been started and a doubles tennis tournament has grown up.

In the tennis tournament, T.G. Young and Coach Haggs bowed to Bob Pollet Hilary Taylor after a hard fought 9 - 7 battle. More good matches are to follow.

The six teams of the touch football league have begun the games of brains and brawn. A.Whelpton to Taylor combination sparked team #1 to a 12-0 win over team #4. Later in the week team #5 tripped team #2 19-0.

The Varsity soccer team, after being idle for two weeks, fought to a 6-2 win over a determined Frostburg team. Joseph"Hotch" Colgain scored four times for the collegians. The squad is steadily improving, and want no team to stand in their way from here on.

Those impressive Jayvees just don't know the meaning of the word defeat. When the chips are down they seem to fight their best. They have recently tied Mardela in a 2-2 battle, and then whipped the highly-rated Pocomoke aggregation 3-0.

AROUND THE CAMPUS

Hicks celebrated his return to action with a lightning goal..... Did you see "Hotch " Colgain make four goals against Frostburg? If he can't kick them in he bounds them in with his head.....Bill Woolston's leg trouble seems to be over. I hope so....The Jayvee men who were graduated to the "Big" team are "Spuck" Bennett and Jim Forrester. Congrats to them both.....Hilary Taylor and Bob Pollit are just about crazy to find who they are to face in the semi-finals in the tennis tournament.....Did you see "Cuz" Callaway skirt the defenses and fire that goal? For more details see "Cuz".....I hear Gene Ellis, The Delmar Flash, is playing bang up ball for the Jayvees.....Bill Woolston, Marshall Moore, and Charley hite are still playing consistently fine games. Keep at it men.....Sonny Swing is the first fullback this year to make a goal.....I see our cheering squad is improving. Let's all get out and make a big noise at the next home game.....Where does the hockey sports leader practice her hockey? We noticed when she came in the other night she had picked up some thistles ans sand.....They tell me that Jesse Pollitt is the football strategist around S.T.C. How about letting the other fellows use the football once in awhile Jesse!
